

## SAFETY AND MAINTENANCE ASSESSMENT SCHOOLS

<b>PLAYGROUNDS, ATHLETIC FIELDS &amp; GYMNASIUMS</b>				
	Yes	No	N/A	Comments
No equipment placed over or near asphalt or concrete surfaces				
Surfaces around playground equipment have at least 12" of protective surfacing				
Adequate protective surfacing and fall cushioning material under and around equipment. Protective surfacing extends at least 6' in all directions from play equipment. For swings be sure surfacing extends twice the height of the suspension bar in both front and back.				
Adequate spacing of equipment Structures more than 30" high are spaced at least 9' apart				
Equipment in good condition, no missing or broken parts, structurally stable and well anchored				
Defective equipment decommissioned				
Condition of surface materials maintained (raking, repairs, replacement)				
Playgrounds, athletic fields & gymnasiums free from debris, hazardous materials and garbage				
Equipment areas, playgrounds and athletic fields have adequate drainage				
Any pot holes, divots, or uneven areas on playgrounds or athletic fields needing attention or filling in				
Elevated surfaces like platforms and ramps have guardrails to prevent falls				
Equipment has proper guard rails, free of sharp edges, loose bolts or screws with all S-hooks crimped closed				
Anchoring systems have been inspected, secure, and well covered with cushioning material				

## SAFETY AND MAINTENANCE ASSESSMENT SCHOOLS

	Yes	No	N/A	Comments
No exposed concrete footings, abrupt changes in surface elevation, tree roots, tree stumps, or rocks				
Ladder rungs in good condition with spacing no less than 3.5" and no more than 9"				
No exercise rings				
No heavy or hard swing seats, and all seats and chains in good condition				
No see-saw or glider type swings				
Signs of insect or pest damage				
Splintering, splitting or rotting of equipment materials				
Rusted or corroded metals				
Is there any equipment over 8' in height? If so, please comment.				
Playground equipment inspected daily for common defects and maintained on a scheduled basis				
Play areas free of trash, debris and other obstructions				
Playground areas inspected daily for broken glass, foreign objects, etc.				
Athletic fields, gyms and bleachers inspected regularly for defects or unsafe conditions				
Responsibility assigned for inspection of all areas. Maintained as necessary with documentation.
