

## **2017-2019 Pastoral Initiatives Summary Document**

*At the heart of each of these pastoral priorities and concrete initiatives is a desire to help the people of western Oregon live in a manner worthy of their call in Jesus Christ. These initiatives are primarily focused on leading Catholics to a deeper faith and relationship with Christ and the Church so that we may become missionary disciples and compelling witnesses of the Gospel who bring the saving message of Jesus Christ to the world.*

*These concrete pastoral initiatives should be seen in the context of the Church's overall mission of evangelization. While not exclusive of the many other pastoral needs which require ongoing attention, these initiatives are intended to be points of special focus and unity for our life and work together in western Oregon throughout the upcoming three years. While the Pastoral Center has particular responsibility for implementing these initiatives, it is anticipated that Catholic communities will lend support and begin their own creative work to implement the initiatives where they apply at the local and regional levels.*

### **PASTORAL PRIORITY: Catechesis and Faith Formation**

**Initiative A:** Provide comprehensive formation and training for catechists and make the formation programs more readily available across the Archdiocese.

**Initiative B:** Create catechetical standards, ensure good quality instruction in the faith.

**Initiative C:** Support parents in their role as primary teachers of the faith.

**Initiative D:** Provide access to sound catechetical materials and programs for various language groups and special needs communities.

**Initiative E:** Provide tools to Catholics for ongoing faith formation and encouragement to live a life of faith in Christ.

### **PASTORAL PRIORITY: Divine Worship**
