

# CATHOLIC MEDICAL ASSOCIATION

---

## *Chartered Guild of Portland, Oregon*

The Catholic Medical Association is a national, physician-led community of healthcare professionals that informs, organizes, and inspires its members, in steadfast fidelity to the teachings of the Catholic Church, to uphold the principles of the Catholic faith in the science and practice of medicine.

The monthly Portland CMA meeting is on the First Saturday of each month. The Holy Eucharist is the source and summit of the Christian life and as such we gather together as a worshipping group at Holy Mass at the beginning of each meeting.

Holy Mass is at 8:00am at Christ the King Parish in Milwaukie, Oregon. Refreshments are provided after Mass. The meeting lasts until 10:00am.

We invite all Catholic Healthcare Professionals to participate in these monthly meetings. One of the local members usually prepares a presentation and facilitates a discussion on a topic of interest to the members during the meeting. The meetings are friendly, spirited, informative and very enjoyable.

In today's world it is vitally important that Catholic Physicians and Healthcare Professionals support each other in their Catholic faith. The Portland CMA provides an environment in which the teachings of the Church can be discussed, supported, promoted and applied.
